### Car Carving

### How How Dads and Daughters of the Kipoo Nation!

- Dads and Daughters, do you need the tools (and talent) to rough cut your Pinewood Derby Car? The nice folks at....

# WOODCRAFT®

Cross Pointe Centre  
175 E. Alex-Bell Rd.  
Dayton, OH 45459

...have offered to rough cut our derby cars on....

**Tuesday November 4<sup>th</sup> from 5:30-7:00 P.M.**

**or**

**Friday November 7<sup>th</sup> from 6:00-7:00 P.M.**

- The Woodcraft employees will rough-cut your car design from your wood (designs must be pre-drawn). Daughters are certainly welcome to come and see their inspired ideas come to "Pinewood Life."
- The shaping, sanding, weighting (5 ounces), painting, and that special "je ne se quoi" that only an Adventure Princess Daughter can add, must be done another day. (Is that the first time a French phrase has been used on a Nation Flyer?)

**Cost: Free!!!!** A limited number of cars will be able to purchased cars from the Woodcraft Store. Please remember to patronize Woodcraft stores for their kindness in offering us this service!

**Tribe Meeting:** This is a great opportunity to have a non-traditional tribe meeting. Bring your whole tribe to cut the cars and, since you'll still have 10 intact fingers, stay for a meal. There are several restaurants nearby.
